KEEP YOUR PARKING LOT CLEAR AND REDUCE YOUR LIABILITY

Winter in New England means snow and iceand lots of it!

Be prepared! Sign up now with T&K and rest assured that your parking lot will be clear - all winter long, around the clock!

KEEP YOUR EMPLOYEES & YOUR CUSTOMERS SAFE

You can't afford to have a parking lot covered with snow and ice. The risk of liability is too great and your employee and customer safety is top priority! Choosing T&K's Commercial Snow Removal Service is a smart, reliable decision - because it is our mission to keep your parking lot and public walkways free and clear from snow and ice at all times. We are set up to be fully operational - so we're always available - no matter the time of day or night, or the conditions outside.

ONE POINT OF CONTACT FOR YOUR ACCOUNT

It is very easy to work with T&K. You will be assigned a dedicated Account Manager who will have your best interest and budget in mind. Service for multiple parking lots can be set up at the beginning of the season and monitored throughout the winter by your account representative.

WE ARE READY AND WAITING...

You will always have someone answer the phone with T&K's 24-hour "Snow Hot-Line". We offer a fleet of superior commercial snow removal equipment; including top quality trucks and loaders. In the event of a breakdown, we have our own staff of professional mechanics who can make repairs on the spot. No matter how much snow we get, our equipment is available - which means your lot is always clear!
